I love you

"I love you" I murmured against David's lips before I gave him a gentle kiss.
"No, you don't. You love my tight ass and my deep throat." He kissed the corner of my mouth lovingly before snuggling up to my side. His voice was dripping with sadness.
I turned to him and cradled him in my arms. I pressed a little kiss on his forehead before he turned his head so I could bury my nose in his hair, like I always do.

What he said truly made me wonder. I felt physically sick from the fact that I wasn't sure if he was right or wrong.
